Unit - 1 The Tale of Benjamin Bunny

I. Comprehension:

Read the passage and answer the questions:

Everyone likes ice cream. Ice cream is made by mixing milk, dry fruits, cream, sugar and fragrance. Although there are many flavors of ice cream, some are very popular like vanilla, strawberry, butterscotch, chocolate, etc.

Most people use the freezer of the refrigerator to make ice cream, but some use ice cream-making machines. To make delicious ice cream, useful ingredients are mixed in the right proportion.

Questions:

1. What are the important ingredients used in making ice cream?

2. What should we use to make delicious ice cream?

3. Name any 3 flavors of ice cream mentioned in the passage.

4. Who likes ice cream?

5. Which word from the passage mean:

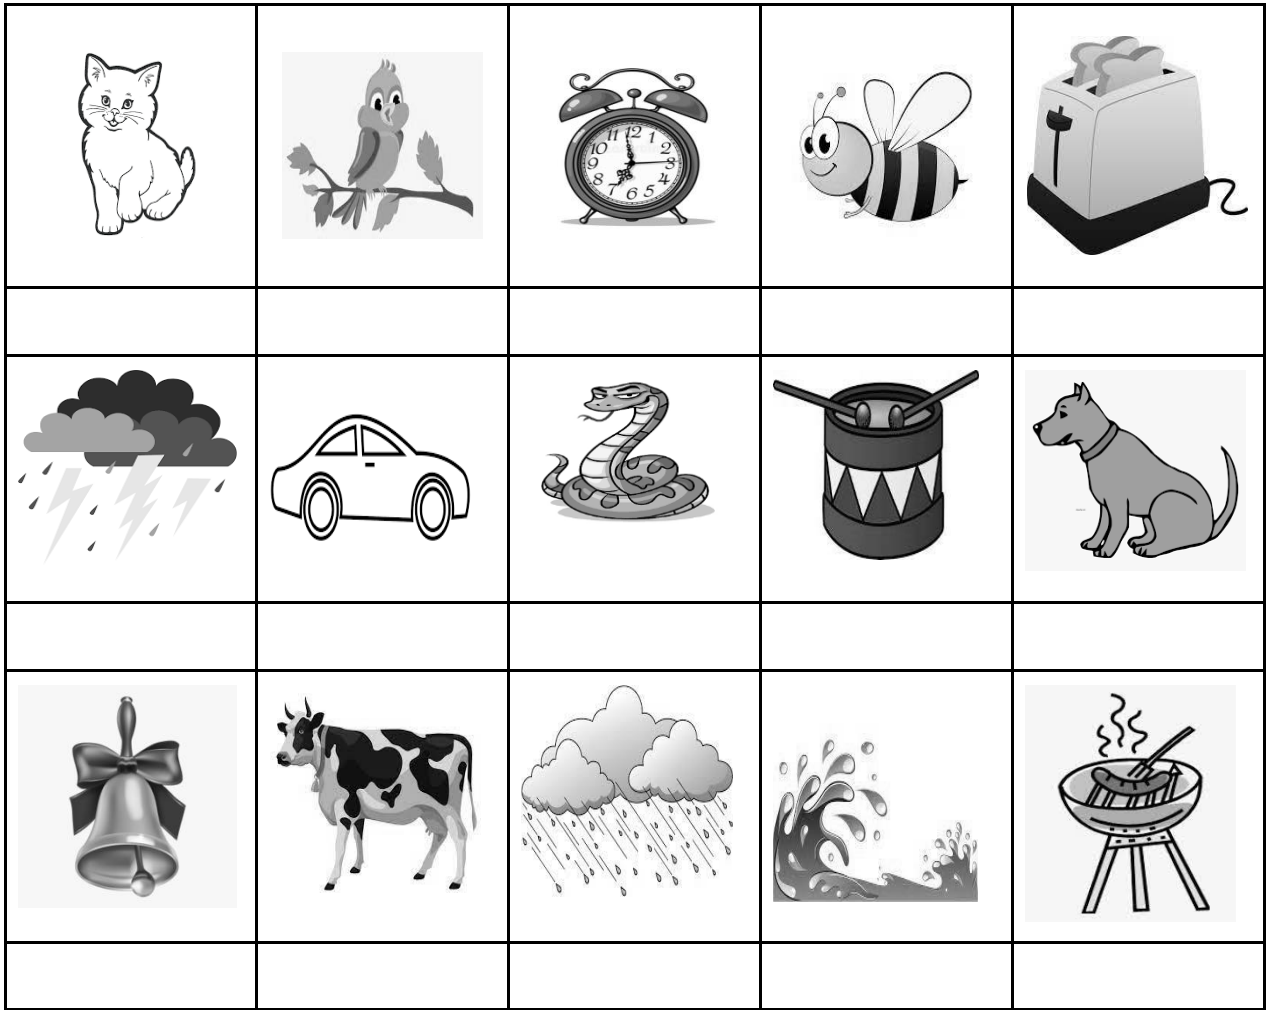

a. Yummy - _____

b. Sweet smell - _____

III. Writing:

Read the story given below and fill in the story map:

Gautam ate all the time. At home, he ate cream biscuits, cakes and oily chips. Gunjan, his elder sister, told him, "Stop eating so much. You will burst!" Gautam would laugh, and eat more junk food. Soon his clothes became too tight. He couldn't run fast. He started getting tired. Gautam's mother took him to the doctor. The doctor made a healthy food chart for him. "Exercise every day, Gautam. You will soon be full of energy again," he said. Gautam wasn't so sure, but he decided to try hard.

That evening, Gautam ate fruit salad. He enjoyed it! Instead of sugary drinks, he started drinking lemonade and lassi. Gautam exercised every day. He soon became fit and was full of energy.

Gautam took part in the races on Sports Day at school and did very well.
