## Unit – 5 Living Free

### I. Comprehension:

Frieda lives in Germany. Frieda is an octopus. Every day people come to the zoo to see Frieda. They come to see her special trick. An octopus has eight arms. Frieda uses these arms to do her trick. She opens jars! Here is how she does it. People at the zoo put food that Frieda likes in a jar. They put the lid on tight. Then they place the jar in the water with Frieda. This smart little octopus climbs on the jar. She holds the lid with her arms. Then she turns her body. The lid comes off! People at the zoo think Frieda saw those open jars. Then she did it herself. Frieda only opens the jars with food that she likes!
