Dear Parent,

Assalamualaikum,

Science Olympiad foundation (SOF) is an Organisation to promote a scientific temperament among students and it conducts Seven Olympiad exams in an endeavour to develop a greater competitive spirit, better assessment and exploration of potential among students. The below mentioned information will help you know more details about the competition.

The following Olympiads are conducted every year. Students will get question papers designed by SOF and they have to write the responses on the OMR sheet provided. All participants will get participation certificate and winners will be awarded Gold, Silver and Bronze medals. Parents will also get to know about child's school, national and international rank through a detailed report card.

Please fill in the given form and send the required registration fee in a sealed envelope along with the form to the class teacher on or before **Monday, 15 July 2024**. If you are willing to buy the study material, send the below mentioned (optional) amount to the class teacher in a separate sealed envelope with the name, class and name of the Olympiad written on it.
