Dear parent,

Assalaamu alaikum.

Completion of studies in grade XII marks the culmination of the schooling phase in education. This is an important milestone in the lives of students. Having completed the courses as prescribed by CBSE, they are at the threshold of the wider arena of collegiate studies to pursue their academic careers. The realization is exciting and euphoric for them. For the parents, it is a moment of pride, satisfaction and joy to see their wards ascending to the stage of higher education with confidence after schooling.

Taking into consideration the period between the pre-board examinations and the Boards, the Graduation Ceremony has been scheduled in the evening on **Saturday, 3rd February, 2024**. Course completion certificates will be awarded to the outgoing students. The programme will be followed by dinner.

Students will have to come in school uniform wearing the graduation gown and cap.
