

IX - XII Block Circular

PCOR/2024-25/C0049

Date: 22.07.2024

Dear Parent,

Assalamualaikum.

{Subject: Final Enrollment Opportunity for Extra Marks Foundation Courses}

In pursuit of academic excellence and to equip our students for the competitive challenges of the future, the school is introducing the Extra Marks Foundation courses for aspiring candidates for IIT-JEE and NEET.

Although the initial registration numbers did not meet our expectations, we have received requests from some parents for additional time to make their decision.

We are pleased to extend the final date for enrollment in the star batch for qualified students till **Tuesday , 30th July 2024**. If the enrollment reaches at least 30 students per class by this date, the star batch foundation classes will commence on **Thursday, 1st August 2024**. If we do not reach the required number, the proposed plan will be postponed to the next academic year. Parents who have enrolled their children will have the option to receive a refund of the paid fee or have it adjusted towards the school academic fee, as per their convenience.

Despite the limited initial response, we have conducted classes (from 9th July onwards) and assessments on two Sundays to ensure preparedness. We urge all parents to take advantage of this valuable opportunity for their wards.

Please secure your child's enrollment by the final deadline to ensure they can benefit from these foundational courses designed to enhance their academic and competitive skills.

Regards

HM
