### Summer Holidays Homework- Grade-V

Dear Parent,

Assalamualaikum.

Kindly note that the summer vacations for the students of grade III-V will be from **Friday 24<sup>th</sup> April 2026 to 11<sup>th</sup> June 2026**. School will reopen on **Friday 12<sup>th</sup> June 2026**. The regular school timings will be followed i.e from **8:00am to 3:20pm**.

“Learning is a treasure that follows you everywhere”. The summer break is a chance to recharge, refocus and rediscover students zeal for learning. Make this summer a season of growth and adventure. It is the time when a special bond is developed between you and your child as you work, travel and enjoy together. At the same time children also need to stay connected with their school learning. To keep your child’s mind engaged and active during holidays, holiday home work is designed to help them review and reinforce the concepts learned during academic year and to promote experiential learning and creativity. Please ensure that these assignments are completed by your child and duly submitted when the school reopens.

Let’s come together to make this summer a joyful, meaningful, and enriching experience for all our young learners! Wishing you a safe, fun-filled, and memorable summer break
