STRUCTURAL SOUNDNESS CERTIFICATE

This is to certify that Azan International School building bearing H.No.9-4-136, situated at Tolichowki, Hyderabad- Telangana State. It is constructed as frame structure, consisting of Ground Floor, 1st, 2nd, 3rd, and 4th floors has completed its construction in the year 2011. I have visited the building personally and found the building is in good condition and can be used for Institution purpose.

I therefore certify that the said building is structurally safe and is on good condition as on this date to run educational institution. This certificate is valid for 10 years.
