PROJECT 2: BIODIVERSITY REGISTER

Dear Students,

Prepare a Biodiversity Portfolio based on your visit to ****The Zoological Park and Botanical Garden. ****

The portfolio should include:

- A brief introduction to biodiversity and related terms.
- Flora and fauna observed during the visit.
- Common Name, Scientific Name, habitat and brief details of each.
- Relevant photographs/drawings.
- A short reflection on the importance of biodiversity conservation.

Use your creativity to make the portfolio neat, presentable, creative and informative
